

February 18, 2011

Joanne W. Towner, CFRE  
President, AFP FL, Treasure Coast Chapter  
House of Hope  
2484 SE Bonita Street  
Stuart, FL

Dear Joanne:

Congratulations! We are delighted to inform you that the AFP FL, Treasure Coast Chapter received the 2010 Chapter Ten Star Award. Enclosed is a certificate of achievement. We hope you can join us at the AFP International Conference in Chicago. This year's Ten Star chapters will have various recognition opportunities during the upcoming Chapter Presidents' Council Meeting at International Conference in Chicago, IL.

As part of your Ten Star Award, AFP will provide you with one FREE Webinar which must be used during the 2011 calendar year. Please contact our Professional Advancement Department at International Headquarters to arrange your free session (additional ordering information is included in this packet).

Recognition as a Ten Star chapter indicates your chapter serves as a model for all chapters to emulate in accomplishing the goals set forth by AFP and your chapter leadership. Your demonstrated leadership in adhering to these high standards is commendable, and the partnership between AFP chapters and the International Headquarters is one of which to be very proud. The end result is a myriad of valuable member benefits and the advancement of our core purpose, vision and mission.

The 2010 Ten Star Award Logo will be sent to chapter presidents and administrators in a follow up email. You may use this logo on stationery, brochures and on your website. Please note that the 2010 logo may not be altered since it is a one-year designation and must be earned every year.

Again, congratulations to you and your chapter. We look forward to working with you and wish you all the best as you set and surpass your goals for 2011!

Sincerely,

A handwritten signature in cursive script, appearing to read "Taryn R. Gold".

Taryn R. Gold, MPA  
Director, Chapter Administration
